Files Opened

The Tribunal opens a file when it is issued upon the filing of an originating process that has been served on the parties. An originating process includes a notice of application, referral for hearing, motion for interlocutory suspension or practice restriction, and appeal.

Files related to the same lawyer or paralegal that are heard concurrently are counted as separate files.

NOTE – In all tables in this document, numbers in parentheses are 2016 figures.

Summary Files Opened and Closed

A summary file is a proceeding that is first returnable to a hearing panel and bypasses the PMC in accordance with s.2(1) of O. Reg. 167/07. These files are typically heard by a single adjudicator. This data is a subset of the information in Table 1 and Table 2.

Total Hearings Scheduled and Vacated

The number of hearings scheduled in each quarter is listed below. Files scheduled on more than one occasion within a quarter are counted each time the file is scheduled. A hearing is counted as scheduled when the date the hearing is to proceed falls within the quarter. A hearing is counted as vacated when it does not proceed on the scheduled date. A multi-day hearing is partially vacated if it proceeded on only some of the scheduled days. Reasons for vacated hearings are noted in Table 9. The number of hearing calendar days is noted in Table 11.

Reasons for Vacated Hearings

A hearing may be vacated for more than one reason. These tables show the number of times each reason resulted in a vacated hearing. In these tables, L represents lawyers and P represents paralegals.

Calendar Days Scheduled and Vacated

The number of hearing calendar days scheduled is listed below. Multiple hearings are often scheduled on each calendar day. A vacated calendar day is a day on which no scheduled hearings or appearances before the PMC or AMC proceeded. The day an adjournment request is heard is not counted as a vacated calendar day. For example, if a request to adjourn a three-day hearing was granted on the first day, only the remaining days are counted as vacated. Or, if one hearing was vacated, but other hearings proceeded on the same day, that day is not counted as vacated. Some hearings and appeals were heard on the same calendar day.

Reasons for vacated calendar days are noted in Table 12.

Table 11 Number of calendar days that were scheduled and vacated in the Hearing and Appeal Divisions

	Q1	Q2	Q3	Q4	Cumulative
Number of available calendar days	63 (62)	63 (63)	62 (64)		188 (189)

Percentage of Appeal Division calendar days vacated	8% (8%)	25% (14%)	14% (0%)		13% (8%)

Reasons For and Number of Resulting Vacated Calendar Days

The first figure in each quarter's column represents the number of times a panel accepted this reason. The second figure represents the number of resulting vacated calendar days. The number of calendar days vacated shown on this page may be greater than the calendar days vacated as reported in Table 11 because more than one matter may have been scheduled to be heard on the same day and all were vacated; so one calendar day may have been vacated for more than one reason and for more than one matter.

Table 12 Reasons and the number of times each was accepted and resulted in vacated calendar days.

Reasons For Vacated Calendar Days	Q1	Q2	Q3	Q4
Motion heard instead		2-2		
Party / representative / witness unavailable / ill	1-1	3-3	5-4

Parties' Adjournment Requests

The following table lists the number of adjournment requests made to the Law Society Tribunal in each quarter. Adjournment requests reported below may relate to matters scheduled to be heard during this quarter or in a subsequent quarter. In this table, L represents lawyers and P represents paralegals.
